DECLARATION OF ALEXANDER FRAWLEY

- I, Alexander Frawley, declare as follows.
- 1. I am an associate with the law firm of Susman Godfrey L.L.P., counsel for Plaintiffs in this matter. I am an attorney at law duly licensed to practice *pro hac vice* before this Court. I have personal knowledge of the matters set forth herein and am competent to testify.
- 2. I submit this Declaration in support of Plaintiffs' Motion to Strike Non-Retained Employee-Expert Declarations For Whom Google Provided No Expert Report.
- 3. In early 2021, Google identified Dr. Glenn Berntson as a potential document custodian, and Dr. Berntson became a custodian. Plaintiffs did not at any point select any of Mr. Levitte, Mr. Ganem, or Mr. McPhie to be among their 42 allotted document custodians. By the time Plaintiffs were required to make their final selections, Google had not indicated that it intended to rely on any of those three employees.
- 4. Plaintiffs took two Rule 30(b)(6) depositions during the course of discovery as to which Google designated Mr. Berntson to testify. And pursuant to a Court order, Plaintiffs ultimately deposed Mr. Levitte on March 15, 2022, and Mr. Ganem on March 23, 2022, following Google's addition of those employees to their amended disclosures. Plaintiffs did not have an expert report from any of these witnesses prior to taking their depositions (nor any facts, data, or documents the witnesses may use to support their opinions). And all of these depositions occurred prior to Google completing its productions of data under the Special Master process. And Plaintiffs never deposed Mr. McPhie, whom Google had never identified as a witness on whom it intended to rely in any Rule 26 disclosures.
- 5. On June 17, 2022, Google asked Plaintiffs to schedule depositions of Plaintiffs' six experts. Those depositions were ultimately completed between July 6 and August 2. Plaintiffs similarly sought to depose Google's experts between August 8, 2022 (the first business day after the deadline for Google's class certification opposition brief) and August 26, 2022 (the deadline for Plaintiffs' reply brief). As such, on July 12, 2022, Plaintiffs asked Google to supply potential deposition dates during that window. Google offered dates and Plaintiffs accepted them. Google

at that time did not say anything about its apparent plan to submit additional declarations from non-retained experts who had never submitted expert reports.

- 6. Plaintiffs deposed all five of Google's retained experts between August 16, 2022 and August 22, 2022, including Dr. Konstantinos Psounis on August 19.
- 7. Google served no Rule 26 expert reports from any of George Levitte, Glenn Berntson, Steve Ganem, or Jonathan McPhie at any point in time.
- 8. A search of Google's more than six-million-page document production confirms that only one document mentions both and Mr. Levitte's name—and it was dated nearly a year before the that is the basis of Plainiffs' damages expert's Mr. Lasinski's unjust enrichment calculation.
- 9. Attached hereto as **Exhibit 1** is a true and correct excerpt of the transcript from the February 11, 2022 Case Management Conference in this case.
- 10. Attached hereto as **Exhibit 2** is a true and correct copy of Google's April 15, 2022 Disclosure of Percipient Witnesses with Technical Expertise Who May Testify at Trial.
- 11. Attached hereto as **Exhibit 3** is a true and correct copy of email communications between Google's counsel and me, dated May 5, 2022 to May 11, 2022.
- 12. Attached hereto as **Exhibit 4** is a true and correct copy of Defendant's Initial Disclosures Pursuant to Fed. R. Civ. P. 26(a)(1).
- 13. Attached hereto as **Exhibit 5** is a true and correct copy of Google's Responses and Objections to Plaintiffs' Requests for Production Nos. 11 and 12.
- 14. Attached hereto as **Exhibit 6** is a true and correct copy of a document Google produced in discovery labeled GOOG-BRWN-00023909.
- 15. Attached hereto as **Exhibit 7** is a true and correct copy of Plaintiffs' Interrogatory No. 4.
- 16. Attached hereto as **Exhibit 8** is a true and correct copy of Google's Responses and Objections to Plaintiffs' Interrogatory No. 4.
 - 17. Attached hereto as **Exhibit 9** is a true and correct copy of Google's Supplemental 2
